*"Three Decades of Crafting Engineers, Shaping the Future"*  
News Bulletin 2025  
Vol 1, Issue 2: November 2024 – January 2025

**MESSAGE BY**

**Dear Students,**

As you move forward in your academic journey, I acknowledge your hard work, dedication, and persistence. Your time at IIMT Engineering College is not just about gaining knowledge but your pursuit of knowledge and excellence is the cornerstone of our institution's success. With placements and exams approaching, I encourage you to stay focused, manage your time wisely, and maintain a positive mindset. Companies seek not just technical expertise but also problem-solving abilities and teamwork. Prepare well, have faith in yourself, and never hesitate to seek guidance from your mentors.

Success is not just about marks or job offers it is about continuous learning and self-improvement. Keep pushing your limits, and you will achieve great heights. Our doors are always open to guide and assist you in your academic and personal growth.

**Warm regards**  
**Shri Yogesh Mohan Gupta**  
Chairman  
IIMT Group of College

**Dear IIMT Family,**

Imagine standing at the edge of a great adventure. The path ahead may seem uncertain, but remember every challenge is a stepping stone to success. History is filled with ordinary people who achieved extraordinary things because they believed in themselves and put in the effort. Exams and placements are not just hurdles, they are opportunities to showcase your potential.

Preparation is your weapon, persistence is your shield, and confidence is your compass. We are always there to guide and support you at each step of your academic and co-curricular journey. Always aim for success but also don't fear failure. Stay curious, stay resilient, and give your best.

**With best wishes**  
**Dr. Mayank Agrawal**  
Managing Director  
IIMT Group of Colleges

**Dear Student,**

College life is a journey filled with challenges and opportunities. As exams and placements approach, I want to remind you—success is not just about intelligence; it is about hard work, persistence, and self-belief. Prepare well, manage your time wisely, and stay focused. Small daily efforts will lead to great results. Companies seek candidates who are not only skilled but also confident and determined. Show them your best version. Learn, adapt, and move forward. Believe in yourself, because we believe in you. Your efforts today will define your tomorrow. So, give your best, and success will follow.

**With best wishes**  
**Prof. (Dr.) Dharendra Kumar**  
Director, IIMT Engineering College

**IIMT VISION**

To create the most conducive environment for quality and research-oriented learning of undergraduate and postgraduate programs in the field of engineering and management and prepare the students for a globalised technological society and orient them towards serving the society.

**IIMT MISSION**

- To provide the best possible educational facilities and wide infrastructure for excellent career in technology and management.
- To provide a centre of knowledge for understanding of fundamentals and their application.
- To reach excellence in academic and research.
- To bridge the gap between industry and academia and fulfill the placement requirement.
- To provide a spirit of entrepreneurship and innovations.
- To organize short term courses, conferences & seminars on recent technological developments for overall growth and development.

**EVENTS**

**IIMT University Convocation 2025: A Day of Celebration and Inspiration**

The 2025 Convocation Ceremony at IIMT University, Meerut, was a landmark event that celebrated the achievements and dreams of students stepping into a world of endless opportunities. Held on 11<sup>th</sup> Jan 2025, this grand occasion was graced by Shri Rajnath Singh, Hon'ble Defence Minister of India, whose presence infused the event with inspiration and purpose. **In his address, Shri Rajnath Singh emphasized India's promising future, stating that the nation has entered the "Amrit Kaal" phase.** He envisioned India becoming the most powerful country in the world by 2047, a testament to its resilience, innovation, and self-reliance. **As Shri Rajnath Singh said, "If you have talent, vision, and a passion for change, you can achieve whatever you want."** This message resonated deeply with everyone present, marking the beginning of a bright future for the graduates. Shri Rajnath Singh's speech was filled with wisdom and encouragement for the graduates. With over 4,000 degrees awarded and more than 300 gold medalists honored, the convocation underscored IIMT University's commitment to academic excellence. The event marked a significant milestone for the graduating batches of 2021, 2022, and 2023, recognizing their hard work, dedication, and perseverance.

**IIMT University Hosts Grand Astrology Conference**

Meerut witnessed an unprecedented gathering of astrology scholars as IIMT University, in collaboration with the All-India Federation of Astrologers, Delhi, hosted a grand astrology conference. The event, held on Sunday at the university's main auditorium, commenced with Vedic chants and peace prayers.

Chief Guest Acharya Mahamandaleshwar Gurudev Kailash Anand Ji of Haridwar's Niranjani Akhara highlighted the scientific

aspects of astrology, emphasizing its role in shaping the future through precise mathematical calculations. He engaged the audience with insights into astrology's connection to rituals and mythology. Chancellor Shri Yogesh Mohan ji Gupta welcomed astrologers from across India, acknowledging their contributions to preserving this ancient knowledge. He announced that IIMT University would introduce an astrology curriculum in the upcoming academic session, offering formal degrees to scholars. Dr. Arun Kumar Bansal, President of the All-India Federation of Astrologers Society, introduced the participating scholars, including renowned astrologers such as Pandit Jai Prakash, Pandit G.D. Vashisth, and Pandit Suresh Shrimali Ji.

**The event also featured an exhibition of astrology books and related materials. The conference marked a significant step toward integrating astrology with academic research, ensuring its continued relevance in the modern era.**

#### AMBASSADOR OF MONGOLIA TO INDIA

His Excellency Mr. Ganbold Dambajav, Ambassador of Mongolia to India, visited IIMT University and engaged in an interactive session with students and faculty. The program, expertly coordinated by Dr. Sugandha, Director of Radio, was highly informative and well-received.

During his visit, Ambassador Dambajav expressed his appreciation for the university's historical significance and academic excellence. He stated, "Happy to be in Meerut at a historical place and visit the prestigious IIMT University. It was my privilege to meet the students and answer their questions. Looking forward to continued cooperation." The event underscored the importance of global institutional relations, as recognized by NBA and NAAC. Dr. Sugandha, along with all HoDs and faculty members, played a crucial role in making the program a success. HoDs were advised to maintain records of such events for future reference, further strengthening academic collaborations.

#### AKTU Sports Fest

The students of IIMT Engineering College, Meerut, who triumphed in the AKTU Zonal and State Sports Fest, received a grand welcome from IIMT Group Chairman, Sh. Yogesh Mohan Ji Gupta, along with the entire faculty. Chairman Sir personally congratulated the victorious students, presenting them with cash prizes and offering his heartfelt blessings for their continued success.

#### AKTU LMT State Level Fest

Our talented students have once again brought laurels to their institution by showcasing exceptional talent and creativity at the Dr. Abdul Kalam Inter-Technical University Literary, Management & Technical Fest 2024-2025, held dated on 13-14 Dec 2024. The state-level event, organized by AKTU Lucknow, brought together top institutions from across the state to compete in various literary, management, and technical events. IIMT Engineering College participate in several categories, including Debate, Ad-mad show, Best-photo shoot, Robo Race. In these highly competitive events, our students achieved remarkable success and securing two Bronze Medals in Debate and Ad-Mad show.

#### MBA Fresher's Party

Fresher's Party 2024 organized in MBA Department at IIMT Engineering College Meerut for the newly admitted students in the MBA course affiliated to AKTU. The program was inaugurated by Dr. Dharendra Kumar, Dr. Vikhyat Singhal, Dr. Sugandha by lighting the lamp. The program was started with Saraswati Vandana which was presented by Anika Dhama, after which the colourful program started.

Event start with maa Sarasvati lighting & energetic programs by students. Tushar Sharma and Saloni Sharma were selected as Mr. and Ms. Fresher. Also, Devendra Pandey and Tanya Tyagi were selected as Mr. and Ms. charming. In the second series, Harsh Chaudhary and Yashika Bhardwaj were selected as Mr. and Ms. Talented.

#### B.Tech. Fresher's Party

The Department of Computer Science and Engineering at IIMT recently hosted an exuberant Freshers' event Aagman 2024, on 23<sup>rd</sup> Nov 2024 to extend a warm welcome to the new cohort of students. It was held within the college premises, the celebration embraced the vibrant theme of Indian

Tradition, filling the venue with a festive and colorful atmosphere.

## National Seminar

In commemoration of the International Day for the Elimination of Violence Against Women on 25<sup>th</sup> Nov 2024, a prestigious national seminar on “**Women Empowerment through Education, Technology, and Skill Development**” was organized by the college. The event served as a platform to celebrate the achievements of women across diverse fields while fostering meaningful discussions on leveraging knowledge and innovation for empowerment.

Esteemed speakers included Dr. Anamika Amber Jain, renowned poetess; Prof. Millie Pant from IIT Roorkee; Dr. Kanchan Malik, a leading gynaecologist, Dr. Kopal Mithal, an eye surgeon specializing in ROP; Ms. Aditi Chandra, Brand Ambassador of Meerut Nagar Nigam; and Ms. Ritu Agarwal, a dedicated social worker. Their insights highlighted the pivotal role of education, technology, and skill development in driving sustainable progress. The seminar reinforced the importance of women’s empowerment as a catalyst for economic growth, social harmony, and a more equitable future.

## Ice Breaker Session organized by Meerut Management Association (MMA) under the flagship of the Student Chapter

Our MBA students enthusiastically participated in the Mentorship Program; Ice Breaker Session organized by MMA under the flagship of the Student Chapter dated on 30<sup>th</sup> Nov 2024. The program was designed to foster communication and professional growth among the students. It provided a platform for them to interact with mentors, gain

valuable insights, and enhance their understanding of industry expectations. The Ice Breaker session added an element of fun and engagement, helping students build connections and improve teamwork. Such initiatives play a crucial role in shaping the skills and confidence of students, preparing them for their future careers.

## ATAL Ideathan and Startup-cum-Investors’ Meet 2024

The ATAL Ideathan and Startup-cum-Investors’ Meet 2024, a landmark event organized by the IIMT Startup Launch Pad Foundation in association with Innovation Hub UP, AKTU, was held with great enthusiasm and success at IIMT Engineering College, Meerut on 12<sup>th</sup> Dec 2024. The event commenced with the blessings of Hon’ble Chairman Sir, Shri Yogesh Mohan Ji Gupta followed by lamp lighting ceremony by the Hon’ble Chairman Sir, Shri Yogesh Mohan Ji Gupta, Dr. Dharendra Kumar Sir, Director IIMT Engineering College, Mr. Ankur Agarwal, Associate General Manager HCL Technologies Noida and Mr. Manoj Kumar Sharma Director Aadya Techno Bytes Pvt. Ltd. Noida, Dr. Vikhyat Singhal Convener alongside an esteemed panel of keynote speakers, including Dr. Gauri Mishra Scientist-I & Head (Molecular Diagnostics Laboratory), National Institute of Biologicals Noida, Dr. Rahul Sharma Adjunct Faculty from University of Texas

USA, Dr. Devraj Principal Liberty College, Kathmandu Nepal, Dr. Nivedta Jena Innovation Enabler COO DBT Institute of Life Science Bioincubator, Mr. Mahip Singh Head Innovation Hub-UP AKTU Lucknow.

The event witnessed participation of 30 teams representing renowned institutions such as Monad University Hapur, KIET Ghaziabad, IIMT University Meerut and IIMT Engineering College Meerut. These talented teams showcased their creative and innovative ideas in the Ideathan & Startup competition, creating an inspiring atmosphere of entrepreneurship and innovation. The ATAL Ideathan and Startup-cum-Investors’ Meet 2024 was a resounding success, setting a benchmark for innovation and collaboration and leaving a lasting impact on all participants and attendees.

## International Conference

IIMT Engineering College and IIMT University, Meerut, in collaboration with the International Science Writers’ Association, successfully organized ISCC-2024. The conference provided a platform for researchers and professionals to discuss advancements in science communication and ways to make scientific knowledge more accessible. The event was graced by distinguished guests, including Shri Yogesh Mohan Ji Gupta, Honorable Vice-Chancellor of IIMT University, and eminent academicians from institutions such as IIT Kanpur, UPTU Lucknow, AICTE, DTU, and IISc Bangalore. The inaugural session highlighted the global impact of science communication and India’s contributions to the field.

Over 200 delegates, including 140 international participants from leading U.S. universities, attended the conference. A total of 90 research papers were accepted for presentation, sparking insightful discussions on bridging the gap between scientific research and public understanding. The conference reinforced the significance of science communication in shaping an informed society and fostering global collaborations. With each edition, ISCC continues to establish itself as a premier event in the science communication domain. This conference provides a platform to present cutting-edge research and innovations in science communication.

## Inauguration of Cloud & AI Lab

We are proud to share the successful inauguration of the Cloud and AI Innovation Lab at IIMT Engineering College on 19<sup>th</sup> Dec 2024. The lab was officially opened by Prof (Dr.) RK Khandal, Former Vice Chancellor of Dr. APJ AKTU Lucknow, marking a new era of technological advancements at our institution.

This innovative facility is designed to empower our students and researchers with the latest tools and technologies in Cloud Computing and Artificial Intelligence. By bridging the gap between theoretical knowledge and practical application, the lab aims to nurture groundbreaking research and creative solutions in these rapidly evolving fields. We look forward to the exciting projects, collaborations, and opportunities that will emerge from this cutting-edge space, further strengthening our commitment to academic excellence and innovation.

## Inauguration of IT Suraksha Lab

Dept. of CSE establishment and inauguration of the IT Suraksha Lab at IIMT Engineering College by Prof. Triveni Singh, Ex-IPS & Chief Mentor DFIR / FCRF on 9<sup>th</sup> Jan 2025.

## Academica Industry Interactions (MOU Sign)

Our college proudly has set many milestones to which latest is establishment of the Center of Excellence on Internet of Things with Sofpro India Computer Technologies Pvt. Ltd on 14<sup>th</sup> Jan 2025.

## OUR DEPARTMENT'S

The MBA Department of IIMT Engineering College, Meerut, was established in the year 2004 with the aim of providing quality management education to aspiring professionals. Over the years, the department has grown to become a hub of excellence, equipping students with the knowledge, skills to excel in dynamic business environments. With a focus on academic rigor and holistic development, the department offers a blend of theoretical insights and practical exposure through well designed curricula, industry visits, internships etc.

The department is headed by Dr. Vikhyat Singhal, a seasoned academician with 20 years of expertise in management education. Dr. Singhal holds a B. Tech, MBA, and Ph.D. specializing in Human Resources (HR). He is known for his in-depth knowledge and innovative teaching methods. Under his leadership, the department has achieved remarkable milestones in academic & co-curricular excellence and published numerous research papers and book chapters in leading journals and conferences. He has completed more than 10 NPTEL courses, attended multiple Faculty Development Programs and regularly organizes industrial visits and seminars to bridge the gap between academia and industry.

**Dr. Vikhyat Singhal**  
HOD – MBA

## ALUMNI SPEECH

Arun Kumar (CSE Batch 2000 - 24)

**Current Organization: Webkul**

**Role: Associate Software Engineer**

**Location: Noida**

I embarked on my journey as a B. Tech student in the CSE at IIMT Engineering college Meerut, a place that shaped not only my academic knowledge but also my personal growth. From the very first day, the college's stimulating environment and dedicated faculty members ignited a passion for learning and innovation. The cutting-edge infrastructure, state-of-the-art labs, and a vibrant campus culture provided the perfect backdrop for academic and extracurricular activities.

Diksha Bishnoi (MBA Batch 22-24)

**Current Organization: Teachnook**

**Location: Noida**

My time at IIMT Engineering College was a journey of growth, both academically and personally. The experiences, friendships, and knowledge I gained here shaped who I am today. I'm grateful for the foundation provided me by MBA department, and I look forward to seeing future generations continue to thrive in this inspiring environment.

Vaishnavi Gupta (MBA Batch 22-24)

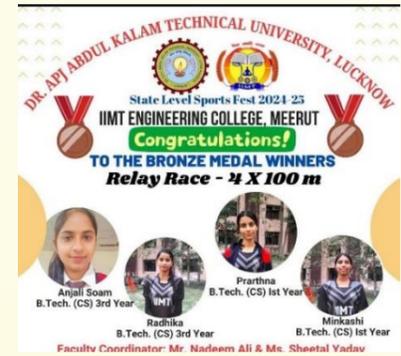

**Current Organization: Virtual Employee**

My journey at IIMT Engineering College was transformative, both academically and professionally. The rigorous MBA program, coupled

with the guidance of exceptional faculty and the vibrant campus environment, equipped me with the skills and confidence to succeed. I am proud to be an alumnus of IIMT, where learning and leadership go hand in hand.

## STUDENTS ACHIEVEMENTS

- IIMT Engineering College, Meerut had the honor of being a part of this grand event, where our 4x100 m relay team clinched the bronze medal, making us immensely proud. The team comprised: Anjali Soam B. Tech CSE 3<sup>rd</sup> year, Radhika B. Tech CSE 3<sup>rd</sup> year, Meenakshi B. Tech 1<sup>ST</sup> year, Prathna B. Tech 1<sup>ST</sup> year guided and mentored by Mr. Nadeem Ali, Ms. Sheetal Yadav, the team displayed exceptional teamwork, coordination, and dedication. Competing against some of the best athletes in the state, their remarkable performance secured a place on the podium and brought glory to our institution.
- IIMT Engineering College, Meerut proudly excelled at Crossroads 2024, hosted by Hi-Tech Engineering College, Ghaziabad. Our students showcased exceptional talent in the Rangoli Making and Reel Making competitions, reaffirming IIMT's commitment to fostering innovation and creativity. The winners of the Rangoli competition were Shivani Deshwal, Versha, and Ritik (EEE), while Sameer (ME) and Prashant (EEE) triumphed in the Reel Making competition. This remarkable achievement highlights the dedication of our students and mentors to excellence in both technical and creative domains.
- Our B. Tech CSE students who hoisted the victory flag in AKTU Zonal and State Fest were given a grand welcome. IIMT Group Chairman Sh. Yogesh Mohan Ji Gupta honored the winning students by giving them cash prizes. The students who were awarded included Arun Sharma, Anuj Sharma, Aman Sharma, Anirudh Sharma, Rohan Garg, Raman Tomar, Yash Verma, Saksham Kaushik, Vasu Singhal, Ayush Ojha, Vibhu Parashar, Harshit Sharma, Atul Chaudhary, Chirag Mehraulia, Ayush Rastogi, Prakriti Tyagi, Tanushree Sharma and Harshit Sharma. Zonal and State level fest was organized in Muzaffarnagar under the aegis of Dr. APJ Abdul Kalam Technical University. Students from more than 25 colleges of ten districts of Uttar Pradesh participated in this competition. Many competitions including Robo Race, Robo Sumo, Robowar, Edmed, Debate, Declamation and Best Shot on the Spot were organized in the fest.

## UPCOMING EVENTS

- HR Synergy Summit 2025 on 15<sup>th</sup> February 2025.
- Alumni Meet in April 2025.
- Article / poem writing competition by Shakti Srajan club.
- Intra college level Tech Fest.
- Placement drive for final year students.

## CELEBRATION @IIMT

### 1. Sundar Kand Paath

With the infinite grace of Shri Ram ji, the IIMT Engineering College Library staff organized in the auspicious Sundarkand Paath of Sankat Mochan Hanuman ji. This spiritual gathering is an opportunity to receive the blessings of Hanuman ji and immerse in the divine energy of his sacred recital. The program, organized with devotion, promises to bring peace and positivity to all attendees. Following the Paath, everyone is welcome to partake in the Prasad, filled with the love and blessings of Hanuman ji.

### 2. Slogan-making and logo-designing contest

Shakti Srajan Club recently hosted a slogan making and logo designing contest, providing students with a platform to unleash their creativity and innovation. The event saw enthusiastic participation from students, who showcased their exceptional talent. A total of 24 students from B. Tech and MBA programs participated in the contest. The entries were judiciously evaluated by an esteemed panel comprising Miss Harleen Kaur, Training Officer at IIMT University, Meerut, and Mr. Akshay Kumar, Innovation Manager. This event successfully fostered a spirit of creativity and healthy competition among students, and the club looks forward to organizing more such initiatives in the future.

### 3. Inaugural of IIMT Meerut INVADERS Cricket Team

IIMT Cricket Academy, Meerut, buzzed with excitement as cricket legend Suresh Raina received a grand welcome. Hon'ble Chancellor Shri Yogesh Mohan Ji Gupta and Pro Chancellor Dr. Mayank Agarwal felicitated him, sharing inspiring words. Raina's insights energized the passionate participants, fueling their enthusiasm for the game. The event was a celebration of cricket, motivation, and the spirit of sportsmanship.

### 4. Literature Exhibition on Netaji Subhash Chand Boss Jayanti

IIMT Engineering College, Meerut, hosted a Literature Exhibition on 23<sup>rd</sup> Jan 2025 in its Main Library to honor Netaji Subhash Chandra Bose Jayanti. Organized by Pankaj Sharma and Rashmi Sharma, the event featured inspiring literary works and celebrated the legacy of Netaji, encouraging students to explore rich historical literature.

### 5. Republic Day

IIMT Engineering College, Meerut, celebrated the 76<sup>th</sup> Republic Day with great enthusiasm and a deep sense of patriotism. The event was graced by Chairman Shri Yogesh Mohan ji Gupta, who hoisted the national flag, instilling a feeling of pride and unity among faculty, staff, and students alike. In his inspiring address, Chairman sir emphasized the significance of the Republic Day, urging the youth to actively

contribute to building a self-reliant and progressive India. His words resonated deeply with everyone present, motivating all to take part in shaping the nation's future.

## INDUSTRY CONNECT / SCIENTIFIC CONNECT

(Webinar / Expert talk)

### Online Session: "Role of Quantitative Techniques for Innovation."

The Department of Business Administration, IIMT Engineering College, Meerut, organized an insightful online session titled "Role of Quantitative Techniques for Innovation" dated on 5<sup>th</sup> Nov 2024. This session aimed to highlight the significance of quantitative methods in driving innovation within business and industry. It provided students with valuable insights into how quantitative approaches can serve as critical tools for informed decision-making and innovative problem-solving. The session proved to be a highly enriching experience, equipping participants with a robust understanding of how quantitative techniques can be leveraged for innovative solutions, thereby aligning their academic knowledge with industry demands.

### Intellectual Property Rights (IPR) Awareness Program

On 6<sup>th</sup> Nov 2024, the MBA department, IIMT Engineering College, under the flagship of NIPAM (National Intellectual Property Awareness Mission), organized an online Intellectual Property Rights Awareness Program. Dr. Dharendra Kumar, Director of IIMT Engineering College, provided valuable guidance and underscored the commitment of the institution to continuously engage in initiatives that equip students with essential knowledge for their professional growth. The program commenced with a warm welcome address delivered by Dr. Vikhyat Singhal, HOD - MBA. The event was a success, attracting active participation and appreciation from attendees who gained a thorough insight into the fundamentals of IPR and its growing relevance in today's economy.

### ZED Internship Talk by Meerut Management Association (MMA)

To foster industry-academia collaboration and enhance career readiness among students, MMA organized a talk on the ZED (Zero Defect Zero Effect) Internship Program on 12<sup>th</sup> Nov 2024. The event provided students with insights into the ZED initiative, emphasizing its relevance in modern industries and the opportunities it offers for budding professionals. The session commenced with an overview of the ZED framework, its objectives, and its role in enhancing manufacturing competitiveness while promoting eco-friendly practices.

### Industrial Visit to Minda Spark, Noida

As part of our ongoing commitment to bridging the gap between academic learning and practical exposure, the MBA second-year students of IIMT Engineering College visited Minda Spark, Noida, on 16<sup>th</sup> November 2024. The visit aimed to provide insights into the functioning of a leading automotive solutions provider and enhance students' understanding of corporate operations, supply chain

dynamics, and manufacturing excellence. It served as a practical supplement to their classroom learning and motivated them to aspire for excellence in their professional pursuits.

### Expert talk on importance of Accreditation for engineering college

IIMT Engineering College organized an Expert talk on importance of Accreditation for engineering college. It had the privilege of attending a thought-provoking and eye-opening session, expertly delivered by Prof. NS Raghava, a highly respected and accomplished expert in academia and research on

24<sup>th</sup> Dec 2024. This session marked a significant milestone in our institution's journey towards achieving NBA accreditation, as we prepare to take our first steps towards securing this prestigious rating. Prof. Raghava, a prestigious and prominent luminary has guided us through the intricacies of Outcome Based Education (OBE), emphasizing the importance of practicality and impact analysis. He highlighted the need to analyze previous data and results, alongside current inputs, to drive continuous improvements and foster long-term growth.

### Faculty Training Programme by Department of B. Tech first-year

A Dynamic Faculty Training Programme was successfully conducted by the Department of B. Tech first-year. The initiative aimed to enhance teaching methodologies and equip faculty with advanced pedagogical skills to ensure a quality learning experience for students. The Expert talk was given by Mr. Sanjeev Goyal who interacted with all the faculties and shared his experience. All faculty members actively participated,

demonstrating their commitment to academic excellence. Event is successfully organized by Ms. Kirti Kumari Assistant Prof. Applied Science.

### ACTIVITY FROM RADIO IIMT

Radio IIMT 90.4 FM team participated in the Meerut Mohotsav, engaging students through interactive activities like quizzes, fun games, and talent showcases, fostering enthusiasm and creativity while promoting local culture and entertainment during the event.

Radio IIMT 90.4 FM conducted an awareness campaign, **Hamare Bujurg Hamara Abhiman**, in a village, focusing on elderly care. The team organized interactive sessions, health tips, and motivational talks to honor and promote respect for senior citizens in society.

Radio IIMT organized a Hindi Diwas event for IIMT University and IIMT academy students. Activities like poetry recitation, essay writing, speech competitions were conducted to promote love and respect for the Hindi language among the students.

Radio IIMT 90.4 FM recently hosted an impactful TB awareness campaign at a local school, aiming to educate students about tuberculosis, its prevention, and the importance of early detection. The session featured interactive discussions, engaging activities, and

valuable health tips to spread awareness about this serious yet preventable disease.

By encouraging open conversation and providing practical advice, the campaign helped students better understand how to protect themselves and others, promoting a healthier and more informed lifestyle. Radio IIMT 90.4 FM remains committed to supporting community health initiatives and empowering future generations with the knowledge they need to thrive.

### INITIATIVE FROM STUDENT ACTIVITY COUNCIL

#### Cultural

Headed by Dr. Vandana Aggarwal, the Cultural Council focuses on artistic expression and cultural engagement. Clubs such as the singing, dance, poetry, drawing competition, essay writing etc. allow students to showcase and enhance their talents. A structured roadmap guides activities to help students explore and nurture their creative potential, organizing events and performances to highlight student talent.

#### Literary

Under the leadership of Ms. Shivani Agarwal, this council focuses on developing students' communication and writing skills. Faculty members and student coordinators work together to conduct activities like writing competitions, debates, and workshops on effective communication. She council organized an online session to commemorate the birth anniversaries of two of India's most revered leaders, **दो बहुमूल्य भारत रत्न**, Shri Atal Bihari Vajpayee Ji and Mahamana Madan Mohan Malaviya Ji. This event brought together esteemed guest speakers and participants from various academic disciplines to reflect on the remarkable lives and contributions of these icons to the nation. Aims to enhance literacy skills, preparing students for professional and academic success.

#### Sports

Headed by Mr. Nadeem Ali, the Sports Council promotes physical fitness, team spirit, and sportsmanship. Through faculty and student coordinators, the bright students of IIMT won 1 gold, 2 silver medals in zonal and 1 bronze medal in state level AKTU Sports fest. Various sports activities organized in this session to build resilience, teamwork, and a strong sports culture within the college.

#### Technical

With the vision "**Empowering Minds, Innovating Futures: Where Literacy Meets Technology and Management**". With this vision, B. Tech. CSE students showcased exceptional talent and creativity at the Dr. Abdul Kalam Inter-Technical University Literary, Management & Technical Fest 2024-2025, held on 13-14 Dec 2024. Our students participated in several categories, including Debate, Ad-mad Show, Best-Photo Shoot, and Robo Race. In these highly competitive events, our talented students achieved remarkable success, securing 02 Bronze Medals in Debate, the Ad-mad Show at state level, alongside 05 Gold, 02 Silver & 1 Bronze medals in different activities at zonal level. Their dedication, creativity, and hard work truly shone, making a mark in this prestigious competition.

### STUDENT THOUGHT

- 1) "The universe will start rearranging itself, aligning opportunities and paths for you, if you believe in yourself."  
**Kritika Sharma B. Tech (CS- II Year)**
- 2) "Don't tell people your dreams, show them the result directly."  
**Digvijay Singh B. Tech (CS- II Year)**
- 3) "Anything that weakens you physically, intellectually and spiritually should be discarded as poison."  
**Kamini Sharma MBA (I Year)**
- 4) "If you can control your thoughts, you can control your life."  
**Lakshit Tyagi B. Tech (CE, III Year)**

- 5) "First we feel, then we fall."  
**Sameer B. Tech (ME-III Year)**
- 6) "Just respect your present because your present affects your future."  
**Abhishek Sharma B. Tech (CS-II Year)**
- 7) "Until we spread our arms, we can't fly."  
**Prince Singh B. Tech (CS-I Year)**
- 8) "Either you run the day or the day runs you."  
**Kartik Manga MBA (I Year)**
- 9) "The greatest glory in living lies not in never falling, but in rising every time, we fall."  
**Neha Tyagi MBA (I Year)**
- 10) "There may be late bloomers, but there are no flowers that don't bloom."  
**Almas Hussain B. Tech (CE- III Year)**
- 11) "All ideas cannot be opportunities but all opportunities can be ideas."  
**Md. Ehtasham MBA (I Year)**
- 12) "The two most powerful warriors are patience and time."  
**Md. Rabban Alam B. Tech (CE-Final Year)**
- 13) "Motivation gets you going, but discipline keeps you growing."  
**Bhavishya Yadav B. Tech (CS-I Year)**
- 14) "The library is a repository of knowledge, and knowledge is power."  
**Ali Raza Khan B. Tech (CS-II Year)**
- 15) "Optimism is a magnet to attract happiness."  
**Tanu Chaudhary MBA (I Year)**
- 16) "You have the power to change your story, no matter what page you are on."  
**Palak MBA (I Year)**
- 17) "There are no secrets to success. It is the result of preparation, hard work and learning from failure."  
**Adarsh (B. Tech CS I Year)**

#### THOUGHT OF THE MONTH

- "Setting goals is the first step in turning the invisible into the visible"  
**Mrs. Sugandha Shrotrya, Director Radio IIMT 90.4 FM**
- "Believe in yourself, embrace your intelligence, and inspire greatness in every student"  
**Mr. Navnish Goel, Assistant Professor B. Tech. CSE**
- "Life doesn't teach then test, it tests first and teach later"  
**Mr. Saurabh Tyagi, Assistant Professor B. Tech. CSE**
- "Procrastination is like a credit card, it is a lot of fun until you get the bill"  
**Ms. Shivani Agarwal, Assistant Professor Applied Science**

#### FACULTY ACHIEVEMENTS

S. No.	Name of the faculty	Title of the Programme
1.	Prof. (Dr.) Hari Om Sharma	Research article on Current Global Status of Rare Earth Elements (REEs) and Their Role as Catalysts in Reducing Air Pollution for Maintaining Environmental Sustainability. Trans Indian Inst Met.
2.	Prof. (Dr.) Hari Om Sharma	Book chapter on Application of AI in Material Science to Accelerate Material Innovation. In Artificial Intelligence in Material Science pp. 198-207, CRC Press.
3.	Prof. (Dr.) Hari Om Sharma	Book chapter on Alternative Source Systems of In-Vehicle Electricity Production. Sustainable Mobility: Policies, Challenges & Advancements, 61-78.
4.	Dr. Shailesh Kumar Gupta	Reviewer for IEEE International Conference on "Intelligent System, Smart and Green Technologies (ICISSGT-2024)", Organized by the IEEE Vizag Bay Section at Y V S Murthy Auditorium, Andhra University, Visakhapatnam.
5.	Dr. Shailesh Kumar Gupta	Attended six-days online ATAL faculty development program on "Recent Trends in VLSI Design using Nanotechnology" organized by MIET Meerut 25-30 Nov 2024.
6.	Dr. Shailesh Kumar Gupta	Contributed as Oral Presenter/Participant for the research paper titled Simulation study of Time Equivalent. SVPWM Approach for Nine Phase Inverter System at load in "IEEE International Conference on

		Cognitive Computing in Engineering, (1614) Communications, Sciences and Biomedical Health Informatics 2025 organized during Jan 16-18, 2025 at GBU Greater Noida, (U.P.), India.
7.	Dr. Shailesh Kumar Gupta	Contribution in Peer-Reviewing the papers submitted to 2024 - IEEE International Conference on Intelligent Systems, Smart and Green Technologies (ICISSGT-2024) held on 2nd and 3rd November, 2024 organized by IEEE Vizag Bay Section at Dr. Y VS Murthy Auditorium, Andhra University, Visakhapatnam, India.
8.	Dr. Shailesh Kumar Gupta	Participated in the e-quiz on international energy conservation day conducted by the green club on Dec 14, 2024.
9.	Dr. Shailesh Kumar Gupta	Recognized as Professional Member of INSC International Publishers in recognition of Professional Standing and this membership is of Life Time Valid and can be mentioned in your profile as LMINSO, LIFE MEMBER OF INSC
10.	Dr. Rajeev Sharma	A research paper titled "Healthcare and Smart Cities Applications of Secure 6G Infrastructure" published in IGI GLOBAL Scientific Publishing, ISBN 9798369380291 DOI: 10.4018/979-8-3693-8029-1.ch014, Jan 2025.
11.	Dr. Rajeev Sharma	A research paper titled "Enhancing Hotel Customer Service With AI-Powered Chatbots" published in IGI GLOBAL Scientific Publishing, ISBN 9798369371275 DOI: 10.4018/979-8-3693-7127-5.ch004.
12.	Dr. Rajeev Sharma	A research paper titled "The Role of Teachers in an AI-Enhanced Educational Landscape" published in IGI GLOBAL Scientific Publishing, ISBN 9798369379493 DOI: 10.4018/979-8-3693-7949-3.ch009.
13.	Dr. Rajeev Sharma	Attend workshop on "Skill and Innovations in special reference to NEP-2020" organized by: UG cell (In association with) Department of Mathematics, CCS University, Meerut on 25 <sup>th</sup> Jan 2025.
14.	Mr. Tarun Awasthi	Attend workshop on "Skill and Innovations in special reference to NEP-2020" organized by: UG cell (In association with) Department of Mathematics, CCS University, Meerut on 25 <sup>th</sup> Jan 2025.
15.	Mr. Neeraj Gupta	Attend workshop on "Skill and Innovations in special reference to NEP-2020" organized by: UG cell (In association with) Department of Mathematics, CCS University, Meerut on 25 <sup>th</sup> Jan 2025.
16.	Dr. Vandana Agarwal	Attend Virtual talk on Block Chain Technology by Resource Person Ms. Thamilselvi R, VP of Product Risk, Standard Chartered Bank, Malaysia, organized by the Department of Computer Science & Information Technology, on 27 <sup>th</sup> Jan 2025.
17.	Dr. Vandana Agarwal	Chaired a scientific session during ISCC-2024, on Science Communication: Research, Education, Training and Skill Development, which was held during 19-20 <sup>th</sup> Dec 2024.
18.	Mr. Dinesh Kumar Patel	Research Article on Current Global Status of Rare Earth Elements (REEs) and Their Role as Catalysts in Reducing Air Pollution for Maintaining Environmental Sustainability. Trans Indian Inst Met 78, 4 (2025).
19.	Mr. Dinesh Kumar Patel	Book Chapter on Application of AI in Material Science to Accelerate Material Innovation. In Artificial Intelligence in Material Science (pp. 198-207). CRC Press.
20.	Mr. Dinesh Kumar Patel	Book chapter on Alternative Source Systems of In-Vehicle Electricity

		Production. Sustainable Mobility: Policies, Challenges and Advancements.
21.	Mr. Sachin Kumar	Attended one-week Faculty Development Program on "Transforming Innovations into Reality for Future science and Engineering (TIRFSE 2K24)" which was held during Nov 4 - 8, 2024, organized by Department of Applied Sciences & Humanities, Haldia Institute of Technology, Haldia.
22.	Mr. Sachin Kumar	Book chapter on Alternative Source Systems of In-Vehicle Electricity Production. Sustainable Mobility: Policies, Challenges and Advancements.
23.	Mr. Sachin Kumar	Research article on HDAC inhibitors and their potential towards cancer treatment. International Journal of Bioinformatics Research and Applications,
24.	Ms. Shiwani Agarwal	Participated in A One Day National Level Webinar on "Financial Independence for Girls: Encouraging Entrepreneurship and Skill Development" to observe 'National Girl Child Day' and 'International Education Day', held on 24 <sup>th</sup> Jan 2025, by Dept of Commerce, HKBKDC.
25.	Ms. Shiwani Agarwal	Participated in the International webinar on "Angel investment and venture capital funding opportunity for early-stage entrepreneurs" organized by HKBK Degree College in association with SEMS Welfare Foundation for 60 minutes session on 21 <sup>th</sup> Jan 2025.
26.	Ms. Shiwani Agarwal	Participated in One Day National Level Webinar on "Women Entrepreneurs: Shaping the Future of Startups in India" to observe National Startup Day, held on 16 <sup>th</sup> Jan 2025, organized by Department of Commerce, HKBKDC in association with IIC & CED Club.
27.	Ms. Shiwani Agarwal	Attended Knowledge Session on Webinar on "International Opportunities for Youth" and participated in 60 Minutes of professional learning Organized by SEMS Welfare Foundation and talked by Ms. Neeti Bisht on Dec 29, 2024
28.	Ms. Shiwani Agarwal	Participated in the National Level Webinar on "How to Grow Personally And Professionally" Organized by RBANM's First Grade Evening College in association with SEMS Welfare Foundation for 60 minutes session on Nov 18 <sup>th</sup> 2024.
29.	Ms. Shiwani Agarwal	Attended International Webinar on "Women Empowerment" and participated in 60 Minutes of professional learning Collaboratively Organized by HKBK Degree College & SEMS Welfare Foundation and talked by Dr. Chandra Shekhar Singh.
30.	Mr. Renu Kumar	AICTE Training and Learning (ATAL) Academy Faculty Development Program on Transforming Industries with AI: Deep Learning Breakthroughs and Real-World Applications at SRM Institute of Science and Technology Ramapuram Campus from 20 – 25 Jan 2025.
31.	Mr. Renu Kumar	AICTE Training and Learning (ATAL) Academy Faculty Development Program on Quantum Machine Learning: Bridging the Gap Between Quantum Computing and AI at RKGIT Gzb from 06-11 Jan 2025.
32.	Mr. Renu Kumar	FDP on "Cyber security in AI-based Engineering System" organized by Electronic and ICT Roorkee in association with G H Raison College of Engineering & Management, Nagpur & Haridwar University

		Uttarakhand held from 16-21 Dec 2024.
33.	Mr. Renu Kumar	FDP on AI Applications in Banking and Healthcare Industry organized by K.J. Somaiya Institute of Technology Sion, Mumbai - Maharashtra, KLE Technological University, 12th Dec to 18th Dec 2024.
34.	Mr. Akshay Saini	Research article on Radiative convective heat transfer and magneto-hydrodynamic flow in a viscous fluid-saturated porous channel with variable thermal conductivity in International Journal of Ambient Energy.
35.	Mr. Navnish Goel	Successfully completed 1 week faculty development programme (FDP) on "AI Applications in Banking and Healthcare Industry" organized by K.J. Somaiya Institute of Technology Sion, Mumbai – Maharashtra from Dec 12-18, 2024.
36.	Mr. Navnish Goel	Successfully completed 1 week faculty development programme (FDP) on "Innovation Technologies for Smart Cities: IoT, AI, Blockchain" organized by EICT IIT Roorkee from Dec 23-28, 2024.
37.	Mr. Navnish Goel	Reviewer for International Conference on Healthcare Innovation and Smart Systems (ICHISS 2024) organized by Shri Shankaracharya Institute of Professional Management & Technology, Raipur, Chhattisgarh, India dated on Dec 29-30 2024.
38.	Mr. Navnish Goel	Reviewer for Scopus Index 1 <sup>st</sup> International Conference on Holistic Approaches to Achieving Sustainable Development Goals with Artificial Intelligence (ICASDGAI -2025) dated on Jan 14-15 2025.
39.	Mr. Navnish Goel	A research paper titled "Ethical Considerations in AI Applications for Wildlife Conservation" published in Scopus Index, IGI GLOBAL Scientific Publishing, ISBN 9798369369357 DOI: 10.4018/979-8-3693-6935-7, Jan 2025.
40.	Mr. Navnish Goel	AICTE Training and Learning (ATAL) Academy Online Elementary (FDP) on "Quantum Machine Learning: Bridging the Gap Between Quantum Computing and AI" from 06 <sup>th</sup> to 11 <sup>th</sup> Jan 2025 at RKGIT Gzb.
41.	Mr. Navnish Goel	AICTE Training and Learning (ATAL) Academy Online Elementary (FDP) on "Transforming Industries With AI: Deep Learning Breakthroughs and Real-World Applications" from 20 <sup>th</sup> to 25 <sup>th</sup> Jan 2025 at SRM Institute of Science and Technology Ramapuram Campus.
42.	Ms. Soniya	Successfully completed 1 week faculty development programme (FDP) on "AI Applications in Banking and Healthcare Industry" organized by K.J. Somaiya Institute of Technology Sion, Mumbai – Maharashtra from Dec 12-18, 2024
43.	Ms. Soniya	Research paper titled "Ethical Considerations in AI Applications for Wildlife Conservation" published in Scopus Index, IGI GLOBAL Scientific Publishing, ISBN 9798369369357 DOI: 10.4018/979-8-3693-6935-7, Jan 2025.
44.	Ms. Soniya	ATAL Academy Online Elementary (FDP) on "Quantum Machine Learning: Bridging the Gap Between Quantum Computing and AI" from 06 <sup>th</sup> to 11 <sup>th</sup> Jan 2025 at Raj Kumar Goel Institute of Technology, Ghaziabad.
45.	Ms. Soniya	AICTE Training and Learning (ATAL) Academy Online Elementary (FDP) on "Transforming Industries With AI: Deep Learning Breakthroughs and Real-World Applications" from 20 <sup>th</sup> to 25 <sup>th</sup> Jan 2025 at SRM Institute of Science and Technology Ramapuram Campus.

### तीसरी सबसे बड़ी अर्थव्यवस्था बनने जा रहा है भारत : राजदूत

**चीन पुत्रा मुठी**  
 भारत की तीसरी सबसे बड़ी अर्थव्यवस्था बनने जा रहा है, राजदूत ने कहा है। उन्होंने कहा कि भारत की अर्थव्यवस्था तेजी से बढ़ रही है और यह दुनिया की तीसरी सबसे बड़ी अर्थव्यवस्था बनने जा रही है। उन्होंने कहा कि भारत की अर्थव्यवस्था तेजी से बढ़ रही है और यह दुनिया की तीसरी सबसे बड़ी अर्थव्यवस्था बनने जा रही है।

### जीनियरिंग एण्ड टेक्नोलोजी में जोनल लेवल-इन्टर टैली लिटरेरी, मैनेजमेन्ट एंड टैक्निकल फेस्ट 2024-25 का

जीनियरिंग एण्ड टेक्नोलोजी में जोनल लेवल-इन्टर टैली लिटरेरी, मैनेजमेन्ट एंड टैक्निकल फेस्ट 2024-25 का आयोजन किया गया। इस कार्यक्रम में विद्यार्थियों ने अपनी कलात्मक और तकनीकी कौशल को प्रदर्शित किया।

### दैनिक जागरण

दैनिक जागरण एक प्रमुख हिन्दुस्तानी दैनिक है। यह समाज के विकास और प्रगति के लिए काम करता है।
