“Three Decades of Crafting Engineers, Shaping the Future”

News Bulletin 2025-26

Vol -2, Issue-2, Nov 2025- Jan 2026

The birthday celebration of our esteemed Chairman Sir at IIMT Engineering College was a moment of pride, gratitude, and togetherness for the entire institutional family. The occasion was marked by warmth and reverence, reflecting the deep respect and admiration that students, faculty, and staff hold for his visionary leadership.

The celebration took place in a dignified setting, where members of the college fraternity gathered to extend their heartfelt wishes. A beautifully framed portrait was presented as a token of respect and appreciation, symbolizing the values and ideals that Chairman Sir continues to inspire within the institution. The atmosphere was filled with positivity, smiles, and a sense of unity as everyone came together to honor his remarkable journey.

Speeches and informal interactions highlighted his relentless dedication to academic excellence, innovation, and holistic development. His guidance has been instrumental in shaping IIMT Engineering College into a center of learning that nurtures talent, discipline, and character.

To further commemorate the occasion, a special lunch was organised in his honour, where faculty and staff shared moments of joy and camaraderie. The gathering added a personal and celebratory touch to the day, strengthening the bond within the IIMT family.

The event was not just a celebration of a birthday, but a tribute to a leader whose vision continues to empower generations of learners. It served as a reminder of the strong foundation he has built and the bright future that lies ahead under his stewardship.

Visit to Shree Sai Seva Charitable Trust

Date: 8 December 2025 The IIMT Shakti Srijan Club organized a heartfelt visit to the Old Age Home at Shree Sai Seva Charitable Trust with the aim of sharing love, warmth, and respect with the elderly residents who spend their days away from their families. It was not just an event — it was an emotional experience that touched every heart present there. We are accompanied by head library ma'am Rashmi Sharma and faculty ASH Ms.Megha Sharma, whose guidance and encouragement added meaning to the initiative. Students Interacted with the elders, listened to their inspiring life journeys, and shared moments that reflected care and humanity. Donations of essential items were made collectively, symbolizing unity and compassion. The smiles on the faces of the elders and the emotional warmth shared during conversations reminded us that sometimes the greatest gift we can offer is our time and presence. This visit strengthened our belief that: Humanity begins when we extend our hands to those who need us. The Shakti Srijan Club is committed to continuing such meaningful initiatives that encourage empathy, service, and social responsibility. Together, let's create a world filled with kindness.

Industrial Visit to AppWars Technologies, Noida

Students from CSE (AI) & DS Department visited AppWars Technologies, Noida, for an industry exposure program. They participated in sessions on crafting tech profiles, AI innovation, and implementation.

The visit was initiated by Director, Dr. Dharendra Kumar, and Dean, Dr. Neeraj Garg, marking the beginning of this valuable learning experience.

The program was coordinated by Mr. Vyom Sharma and Mr. Sannidhya Kushwaha. Dr. Vandana Agarwal, HOD, CSE (AI) & DS Department, played a key role in organizing this visit, providing students with industry insights and practical AI knowledge, preparing them for future challenges.

Department of MBA, IIMT Engineering College, Meerut Successfully Organized an Industrial Visit to Havells, Haridwar

The MBA Department of IIMT Engineering College, Meerut successfully organized an

industrial visit to Havells India Pvt. Ltd., SIDCUL, Haridwar (Uttarakhand) to enhance the practical knowledge of the students. The objective of this visit was to provide students with a real-time understanding of industrial operations, production processes, and quality management. During the visit, Mr. Pradeep, Head of Administration, ensured excellent coordination and hospitality.

Mr. Nishant Thakur, Quality Manager, delivered a detailed presentation on the plant and production process, providing in-depth insights to the students. Mr. Arun and Mr. Ishan, Production Heads, guided the student groups and provided them with practical knowledge related to the production process.

After the visit, a question-answer session was conducted by Mr. Sanjeev Parashar, General Manager (GM). The students enthusiastically asked several questions, which were answered politely by Mr. Parashar. He motivated the students to innovate and encouraged them to present new ideas in the industrial sector.

The industrial visit was successfully coordinated by Dr. Sahadev Singh Tomar and Mr. Chandrapal Singh. Dr. Shilpi Singh also extended special support in making the event successful. Dr. Vikhyat Singhal, Head of the MBA Department motivated students to gain practical learning through such industrial visits.

Launch of three months training on Artificial Intelligence, Machine Learning & Soft Skills

In collaboration with IBM SkillsBuild and NASSCOM Foundation at

IIMT Engineering College, Meerut

The inaugural ceremony of the launch of Training Program on Artificial intelligence, Machine Learning, and Soft Skills was held with great enthusiasm at IIMT Engineering College, Meerut. This landmark initiative, launched in partnership with IBM, CETPA Infotech, and the NASSCOM Foundation, aims to equip MBA and B.Tech students with cutting-edge technological knowledge and essential professional skills.

The ceremony began with a warm Welcome Address by Director Dr. Dharendra Kumar. In his inspiring Words of Wisdom, Dr. Kumar highlighted the growing importance of emerging technologies such as AI and Machine Learning in today's competitive world.

As part of the ceremony, the college felicitated the distinguished representatives from NASSCOM, IBM and CETPA for their valuable support:

Mrinal Roka – Manager
Bhavana Singh – Manager
Heeba – Project Executive
Nitin Babbar – CETPA
Mr. Chandrashekhar – CETPA

Their presence enriched the ceremony, and their remarks highlighted the critical need for technical excellence, hands-on learning, and strong professional skills in shaping the modern workforce.

The event concluded with a heartfelt Vote of Thanks by Dr. Vikhyat Singhal, Head of MBA Department, who expressed sincere gratitude to all industry partners, faculty members, dignitaries, and student participants. He emphasized that this collaborative initiative will significantly strengthen the skill ecosystem at IIMT and

prepare students to meet the demands of the ever-evolving digital world.

The Department of MBA organized an industrial visit to Yakult, providing students with valuable exposure to real-world corporate and manufacturing practices. The visit aimed to bridge the gap between theoretical knowledge and practical application by giving students firsthand insight into Yakult's production processes, quality control standards, and marketing strategies. During the visit, students learned about the company's history, its focus on probiotic products, and its commitment to health, hygiene, and innovation. The interactive session helped students understand supply chain management, operational efficiency, and branding strategies adopted by a globally recognized organization like Yakult. The visit was successfully organized under the guidance

of faculty members Ms. Monika Chaudhary and Mr. V. R. Shukla, with the constant support and encouragement of HOD Dr. Vikhyat Singhal. Overall, the industrial visit was an enriching learning experience that enhanced students' practical understanding, industry awareness, and professional outlook.

Successful Conduction of Guest Lecture on “Infinite Possibilities in Space” under Institution's Innovation Council (IIC).

The session was delivered by Mr. Gabe Gabrielle, a renowned aerospace expert, who shared valuable knowledge about emerging opportunities in the global space sector, advanced technologies, and future career prospects for young engineers. His engaging interaction sparked great enthusiasm and curiosity among the students.

We extend our sincere gratitude to the Director Sir, Deans, and all HODs for their continued encouragement towards such knowledge-oriented and future-driven academic activities.

The session proved highly beneficial for students, motivating them to explore career opportunities in the fast-growing space technology domain. More such innovative programs will continue to be organized in the future.

A one-day workshop on self-defence titled ‘Suraksha Shakti’ was successfully organised on 18 th November, 2025, Tuesday at the Seminar Hall,127 of IIMT Engineering College, Meerut. The programme was jointly conducted by IIMT Shakti Srijan and the Women Empowerment Cell, aiming to equip girls—with essential self-defence skills and strategies for personal safety.

The highlight of the workshop was the presence of Mr. Ajay Upadhyay, Founder Chairman of AJ Prakhar Ek Sankalp Foundation and a seven-time National Gold Medalist in Martial Arts. As the expert trainer for the session, Mr. Upadhyay demonstrated practical and easy-to-apply

self-defence techniques, focusing on confidence-building, presence of mind, and physical readiness during unexpected situations.

Addressing the students, Mr. Upadhyay emphasized that self-defence is not merely about physical strength but about awareness, alertness, and the courage to respond. He encouraged students to cultivate mental resilience and assured them that consistent training can significantly enhance one’s ability to safeguard oneself.

The workshop witnessed enthusiastic participation from students, who actively engaged in the hands-on demonstrations and practice sessions. Many shared that the training boosted their confidence and provided them with valuable tools to handle real-life scenarios.

The event concluded with Badge Distribution to the student Coordinators of Shakti Srijan and vote of thanks extended by Dr.Vandana Agarwal-convener Shakti Srijan and Dr.Shilpi Singh -convenor Women Empowerment Cell expressing gratitude to Mr. Upadhyay and acknowledging the support and guidance of Dr.Dhirendra Kumar-Director IIMT Engineering College and all Deans and HODs for the successful conduct of the workshop.

Saraswati Pooja Celebration in IIMT Engineering college (BASANT PANCHAMI CELEBRATION)

On 23rd January 2026, IIMT Engineering College came alive with vibrant hues of yellow and an air of festivity as the campus celebrated Basant Panchami with great enthusiasm and

devotion. The occasion, dedicated to Goddess Saraswati—the symbol of knowledge, wisdom, and learning—held special significance in an academic environment.

The celebration began with a traditional Saraswati Puja, where students, faculty, and staff gathered to offer pushpanjali before Goddess Saraswati and seek blessings for wisdom, creativity, and success in their academic pursuits. The beautifully decorated venue, adorned with yellow flowers and rangoli, reflected the essence of spring and positivity. The teachers and students offered dressed in shades of yellow, symbolizing energy, prosperity, and the arrival of the new season.

The event witnessed active participation from students across various departments, making it a lively and inclusive celebration. Devotional songs and prayers created a serene atmosphere, while the collective spirit of the gathering strengthened the sense of unity within the college community.

Basant Panchami is not just a festival but a reminder of the importance of knowledge and enlightenment. Celebrating it within the college campus reinforced the institution's commitment to both academic excellence and cultural values. It provided students with an opportunity to connect with traditions while balancing their modern educational journey.

The celebration concluded with the distribution of prasad, spreading happiness and a sense of togetherness among all present. The event left everyone with a feeling of positivity and renewed motivation to pursue their goals with dedication and clarity.

Such cultural celebrations at IIMT Engineering College continue to enrich campus life, making learning a holistic experience. The Basant Panchami celebration was indeed a beautiful blend of devotion, tradition, and youthful energy—ushering in a season of growth, knowledge, and new beginnings.

SANSKRITI – 1st Nov 2025- Fresher Party Organized by MBA Department

The MBA Department organized a grand Fresher Party to welcome the first-year students with enthusiasm and warmth. The

event was filled with vibrant cultural performances, music, and fun activities that created a lively and cheerful atmosphere.

The highlight of the event was the ramp walk by the first-year students, where they showcased confidence, creativity, and style. The audience cheered enthusiastically as the freshers participated in various rounds designed to bring out their talents and personalities.

The occasion was graced by the Chairman Sir, who addressed the gathering with his motivational words, inspiring the students to work hard, stay focused, and make the most of their academic journey

Several exciting titles were conferred upon the students, including:

- Mr. Fresher Harshit Agarwal and Ms. Fresher Laxmi Tomar
- Best Attire (Male) Raman Kumar and Best Attire (Female) Tanya Negi
- Mr. Talented Avinash Singh and Ms. Talented Bhoomi Walia

These titles were awarded based on the students' performance, talent, confidence, and overall presentation during the event.

The program concluded with a Vote of Thanks delivered by the Head of Department (HOD), Dr. Vikhyat Singhal who appreciated the efforts of the organizing team and congratulated the freshers for their enthusiastic participation.

The event successfully created a bond between the seniors and juniors and marked the beginning of a promising academic journey for the new MBA batch.

Finally after giving good fight by our IIMT player we got one gold medal in javelin, one silver medal in discuss throw and one bronze medal in 4*100 relay race.

One most important achievement the selection of harshit madan in national volleyball team which selected by national selectors of volleyball .

A very heartiest congratulations to harshit madan for selecting in national volleyball team. A heartfelt congratulations to rachit chauhan for getting gold and silver medal in javelin and discuss throw. Congratulations to our girls relay team for getting bronze medal in aktu state level sports fest. Our basketball team and volleyball team played very well and given the tough competition to opponent team in Semifinal . All players have shown their team spirit and sportsmanship in the ground with well disciplined manners . We thanks to our respected director sir for giving the guidance and full support during the sports fest. We have to very special thanks to Mr. Dinesh Kumar Patel sir and Ms. Anshika Rana madam for their full time support and maintaining discipline among the students during this prestigious state-

level sports fest.

Republic Day Celebration 2026

On 26th January 2026, IIMT Engineering College proudly celebrated Republic Day with great enthusiasm and patriotic fervour. The occasion marked the adoption of the Indian Constitution and served as a reminder of the values of justice, liberty, equality, and fraternity that shape the nation.

The celebration commenced with the flag hoisting ceremony, where the tricolour was unfurled with pride, followed by the singing of the national anthem. The entire campus resonated with a sense of unity and respect as students, faculty, and staff gathered to pay tribute to the nation.

The event featured inspiring speeches by honourable Managing Director, highlighting the significance of Republic Day and the responsibilities of citizens in building a strong and progressive India. Cultural performances added vibrancy to the celebration, with patriotic songs, dances, and recitations that reflected the rich heritage and diversity of the country. The atmosphere was filled with energy, pride, and a deep sense of belonging.

The celebration also served as an opportunity to instil values of discipline, unity, and national integrity among the students. It reminded everyone of the sacrifices made by freedom fighters and the importance of contributing positively to society.

The Republic Day celebration at IIMT Engineering College was not just a ceremonial event but a heartfelt tribute to the nation—reinforcing the spirit of patriotism and inspiring the youth to become responsible citizens of tomorrow.

Sundarkand in IIMTEC Library

On the auspicious morning of 3rd January 2026, IIMT Engineering College witnessed a serene and spiritually uplifting atmosphere as a Sunderkand Path was organized within the campus. The event, thoughtfully arranged by the dedicated Library Staff, marked a harmonious beginning to the new year, blending devotion with academic life.

The sacred recitation of Sunderkand, a significant chapter from the Ramayana, is known for instilling courage, positivity, and resilience. Faculty members, students, and staff gathered in large numbers, filling the venue with collective devotion and enthusiasm. The rhythmic chanting of verses created an ambiance of peace and spiritual reflection, offering a welcome pause from the usual academic routine.

The initiative by the library staff was especially commendable, as it highlighted the importance of holistic development—nurturing not just intellectual growth, but also emotional and spiritual well-being. The event encouraged unity and cultural connection among attendees, fostering a sense of belonging and shared values within the college community.

The ceremony concluded with a prasad distribution, where participants shared in the joy and blessings of the occasion. Many attendees expressed gratitude for such a meaningful start to the year, appreciating the efforts of the organizers in creating a memorable experience.

Events like these serve as a reminder that education extends beyond textbooks and classrooms. By integrating cultural and spiritual practices, IIMT Engineering College continues to shape well-rounded individuals grounded in tradition and values.

The Sunderkand Path was not just a religious event, but a celebration of faith, unity, and positivity—setting a hopeful tone for the year ahead.

Proud Moment for the college. Students of B.Tech I Year participated in the event 'MIMESIS: A stand up special' organized by Raghunath Girls PG College, Meerut. Our students won I, II and III prize. Congratulations to all first year students.
